Condițiile promotiei

Ce include reducerea

Reducerea se aplica setului format din foaia de usa si tocul PORTA compatibil cu modelul ales. Tocul Hydro Protect este eligibil impreuna cu o usa participanta, conform configuratiei confirmate in oferta. Configuratia finala (dimensiuni, norma, sens de deschidere, tip de falt) este confirmata de un consultant Rom Decor inainte de lansarea comenzii.

Ce nu este inclus

Sunt excluse usile duble, usile glisante, tocurile tunel, panourile de ajustare si alte elemente suplimentare de toc care nu sunt marcate explicit ca eligibile. Alte manere si accesorii comandate separat nu fac parte din promotie. Manerele PORTA marcate in acest catalog sunt eligibile doar ca parte a setului promotional. Serviciile de transport, montaj sau masuratori au cost separat, daca nu sunt mentionate expres in oferta comerciala.

- Reducerea afisata este exacta pentru fiecare varianta de model si finisaj eligibila si poate varia intre produse.
- Preturile din acest catalog includ TVA si sunt preturi de la ("pornind de la"), pentru configuratia standard a modelului.
- Montajul nu este inclus in pretul afisat, daca pagina produsului nu mentioneaza altfel.
- Promotia este valabila pentru comenzile inregistrate in perioada 14 septembrie - 14 decembrie 2026.
- Termenul de productie si livrare este cel comunicat de consultant la confirmarea comenzii - nu este garantat un termen fix.
- Finisajele PORTA HIDE incluse in aceasta campanie beneficiaza de reducerea de 20%; varianta "Primul strat - LBP" din stoc ramane in promotia separata PORTA HIDE si nu se cumuleaza cu aceasta oferta.
- Promotia nu se cumuleaza cu alte discounturi, campanii, vouchere sau oferte speciale, cu exceptia cazurilor confirmate expres in scris de Rom Decor.
- Disponibilitatea modelelor si finisajelor poate suferi modificari pe durata campaniei, in limita stocului si a capacitatii de productie PORTA.

Pentru verificarea eligibilitatii, alegerea configuratiei corecte si confirmarea pretului final, contacteaza echipa Rom Decor sau solicita o oferta personalizata din pagina fiecarui produs: <https://rom-decor.ro/promotii/usi-porta>

Manerele Ghidini se oferteaza separat de promotia usilor PORTA; compatibilitatea, varianta de sild (fara sild, cheie patent, cilindru sau WC) si pretul final se confirma impreuna cu configuratia usii. Colectia completa, cu toate variantele de sild si finisajele lor, este pe <https://rom-decor.ro/manere-ghidini-lirica>

DINCOLO DE USILE DE INTERIOR

PORTA THERMO - usi de exterior

Gama PORTA THERMO acopera usile de exterior din portofoliul PORTA. Rom Decor a livrat si montat astfel de usi, printre care proiectul de mai jos, cu toc din lemn tratat si sistem de securitate avansat pentru protectie completa.

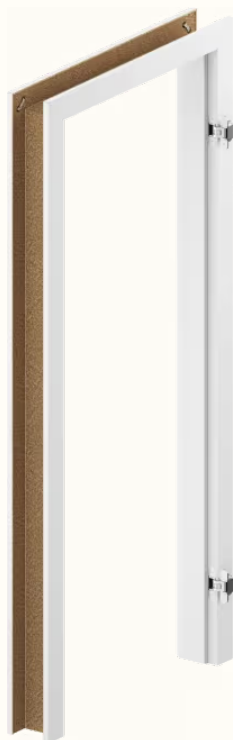

Proiect Rom Decor: Usa de exterior Porta Thermo G2, Ploiesti.

Promotia de Toamna PORTA 2026 este dedicata usilor de interior, deci gama THERMO este prezentata aici informativ, fara pret promotional si fara reducere.

Modelele disponibile, configuratiile si preturile pentru usile de exterior se confirma de un consultant Rom Decor, in functie de dimensiunea golului, norma si finisajul ales.

Vezi gama de usi de exterior: <https://rom-decor.ro/categorii/usi-exterior>

OPTIUNE RECOMANDATA PENTRU INCAPERI UMEDE

Toc PORTA Hydro Protect

Toc din compozit lemn-polimer, 100% rezistent la apa: nu absoarbe umezeala si nu se umfla. Se monteaza identic cu tocurile PORTA SYSTEM si arata la fel ca acestea dupa montaj.

- 100% rezistent la apa, fara umflare sau deformare

- Cu falt si fara falt, inaltime standard sau 220

- Dimensiuni 60 - 100, sapte latimi de perete

- Finisaje Sintetice si Vopsea UV Premium Plus

In Promotia de Toamna PORTA 2026 tocul HYDRO PROTECT este eligibil la reducere numai impreuna cu o usa participante. Configuratia si pretul final se confirma in oferta Rom Decor.
